XL 8 D Telescopic lance 8 m
11935401

Long reach 7 m telescopic extension lance XL 8 D: the ultimate kit for treating wasp nests!

- Long and light allowing precision dusting at height
- Lance is adjustable at lengths from 1.5 m to 7 m (working height 8 m)
- Reduces time taken to treat difficult to reach wasp nests
- Reduces risk of stings when treating large or difficult nests that have been disturbed
- Reduces the need for using access equipment and the risk of injuries due to elimination of ladder use

Specification

- Telescopic fibre glass lance range from 1.5 m to 7 m
- 7 sections
- Stores into a compact 1.3 m long carriage case
- Overall weight of 1.5 kg
- 25 cm flexible tip is easily bent to the required angle
- 10 cm hi viz yellow sight tip
- Dust blockage tool available (air line attachment)

An 7 m telescopic lance for liquid spraying (XL 8 S) is also available on request. Suitable for Birchmeier sprayers like REC 15, Profi Star 5, Spray-Matic 5S etc.
