

## Health, Safety & Environmental Information

Active ingredient: Technical synthetic amorphous silicon dioxide (nano), (1.67 %) CAS number (112926-00-8).

Non-active ingredients: Hydrocarbons, C7-C9, n-alkanes, isoalkanes, cyclics (58.33 %).

## DANGER

**Hazard Statements:** Extremely flammable aerosol. Pressurised container: May burst if heated. Causes skin irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects.

**Precautionary statements:** Keep out of reach of children. Wear protective gloves, eye protection. Collect spillage. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not pierce or burn, even after use. Avoid breathing spray. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. Store in a well-ventilated place. Do not spray on an open flame or other ignition source. Wear protective gloves. Collect spillage. Call a POISON CENTER/ doctor/ physician if you feel unwell. Specific treatment, see medical advice on this label. Take off contaminated clothing and wash before reuse. Store in a well-ventilated place. Store locked up. Avoid release to the environment.

### First aid measures

**Impaired consciousness:** Do not give fluids or induce vomiting; place in recovery position and seek medical advice immediately.

**Inhalation:** Remove victim to fresh air and keep at rest in a half-sitting position. Seek medical advice immediately if symptoms occur and/or large quantities have been inhaled.

**Mouth contact/ingestion:** Wash out mouth with water. Seek medical advice immediately if symptoms occur and/or in case of mouth contact with large quantities.

**Skin contact:** Remove contaminated clothing and shoes. Wash contaminated skin with water. Get medical attention if symptoms occur.

**Eye contact:** Immediately flush with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove lenses if easy to do. Continue to rinse with tepid water for at least 10 minutes. Get medical attention if irritation or vision impairment occurs. When seeking medical advice, keep the container or label available.

**Advice for physician:** Treat symptomatically.

# Oa2ki®

## AEROSOL SILICON DIOXIDE

**KILLS  
BED BUGS**

### Description of use against Bed Bugs

Indoor use by professional users only. The product is a ready-to-use aerosol to be sprayed into cracks and crevices and on porous and non-porous surfaces against bed bugs (*Cimex lectularius*; adults, nymphs and eggs).

Create barriers by spraying the bed frames, baseboards (or a 20 cm strip at the bottom of the walls), 40 g/m<sup>2</sup> (9 m<sup>2</sup> per can) corresponding to 19 seconds of spray/m<sup>2</sup>. Minimum number of applications three spaced 1 to 4 weeks apart for curative applications. Repeat if new infestation occurs or in case of cleaning without exceeding 11 applications per year.

### General directions for use

Always read the label or leaflet before use and follow all the instructions provided. Carefully clean the room before treatment. Shake well before use. While spraying, hold the aerosol 30 cm distance from the surfaces. Repeat in case of new infestation or after cleaning without exceeding the maximum number of treatments authorized per year.

### Risk mitigation measures

Keep away from heat, hot surfaces, sparks, open flames and other ignitions sources. Wear protective chemical resistant gloves during handling phase. Always wash hands after handling. Do not eat, drink or smoke where the products is used. Do not spray directly on people and animals. Spray in a well-ventilated area. Do not use as a space spray. Do not apply on mattresses. Avoid any direct contact with food and feed.

### Handling and storage

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Shelf-life: 24 months. Do not store at a temperature above 40 °C.

### Disposal of product and its packaging

Dispose of this material and its container at hazardous or special waste collection point in accordance with local/national regulations. Do not dispose the container to the environment. Do not empty into drains and streams.
