### Distributor:

Barrettine Environmental Health,  
St Ivel Way, Warmley, Bristol.  
BS30 8TY

Tel: +44 (0) 1179 672222

Fax: +44 (0) 1179 614122

### MIXING:

Each sachet of REZIST contains sufficient product to make 7.5 litres of spray solution. Empty the sachets into a clean container and add sufficient water to ensure that the powder is completely dissolved. (Use of lukewarm water is recommended to aid dissolving the product.) Make up the solution to 7.5 litres and apply immediately.

**Do not** leave in the sprayer without agitation. Wash out all equipment thoroughly after use. Refer to main label for full application rates and instructions
