PESTICIDE FREE

IMPROVED FORMULA
PATENT PENDING

Oa2ki® is a novel polymer formulation combined in a water based delivery system that gives rapid knockdown of ants, fleas, bed bugs, flies and small insects.

DIRECTIONS FOR USE

Spray the product directly onto the insect pest to obtain complete coverage. Oa2ki® can be used both indoors and outdoors.

Ants

Spray directly onto ants and where trailing ants are visible.

Fleas

Oa2ki® can be sprayed directly onto pet bedding, do not apply directly onto animals.

Bed bugs

Product can be applied directly to the insects and to cracks and crevices where insects may hide.

Oa2ki® is a non biocidal product due to its physical mode of action and is exempt from EU Reg. 528/2012.
